Craftaid

Carving intricate leather designs can be simplified by using Tandy's large selection of Craftaids. Give your handbags, key cases, belts, billfolds and book covers a personalized look with a variety of alphabet, zodiac, religious and floral designs. To use Craftaids simply dampen leather and place Craftaid over cased leather in position and tape the Craftaid in place. Using a modeling spoon or smooth instrument, rub over entire design. Then cut all solid lines with a swivel knife and your design is complete. Begin your collection of Craftaids today!
